**ORDER**

**Issued: August 13, 2014**

**Released: August 13, 2014**

In *Order*, FCC 14M-25, the Presiding Judge directed Environmental LLC (“Environmental”), Verde Systems, LLC (“Verde”), and Mr. Havens to work with the other litigating parties to propose a prehearing schedule, along with any accompanying motions for a stay of Issue G, on or before August 15, 2014. On August 12, 2014, Environmental and Verde submitted a Motion for Extension of that deadline. The moving parties inform the Presiding

Judge that counsel for the Enforcement Bureau will be out of the office until August 18. Environmental and Verde seek to extend the deadline to August 20 so that they might confer with the Enforcement Bureau prior to proposing a schedule.

On August 13, 2014, Environmental and Verde submitted a Supplement to Motion for Extension that additionally sought to extend the deadline for any motions for additional discovery from August 15 to August 20. The moving parties assert that the proposal of a prehearing schedule is directly related to the submission of requests for additional discovery.

The Motion for Extension of Environmental and Verde, including its Supplement, **IS GRANTED** in full.<sup>1</sup> Providing the litigating parties with additional time to work together before proposing a calendar encourages cooperation between them on simple procedural matters and is more likely to result in the submission of a proposal that is acceptable to all parties. A short extension of the deadline is thus reasonable. Accordingly, the deadline for the submission of proposed calendars and accompanying motions by all parties **IS EXTENDED to August 20, 2014.**

**SO ORDERED.**
